

Grants Network: Grants Research and Knowledgebase

The Department of Research and Development (R&D) is pleased to offer community-based nonprofit organizations within the County of Hawai'i free access to its Grants Network subscription. Grants Network is an online program available to local governments. The County of Hawai'i added the capability for free access for island nonprofits to its Grants Network subscription.

Please be advised that the County reserves the right to cancel service or to stop issuing access at any time based upon the County's ability to manage the Grants Network service.

How to apply

Please provide contact information on the attached form and sign where indicated. The vendor will issue you a unique user ID and password for your individual use.

Terms and Conditions

Your signature on the application page indicates that you and your organization:

1. Will incur no cost for the full access to Grants Network, training for users, and basic customer service.
2. Agree not to share or release your ID or password to any one else, or change the software in any way. If people or entities outside your organization use your usernames to access Grants Network, eCivis™ reserves the right to terminate the county's contract.
3. Understand that you may use Grants Network for your normal organizational activities, and that you may not use Grants Network for purposes of commercial sale, redistribution, broadcast or transfer of information to entities or people outside your organization.
4. Agree not to remove any copyright notices from printouts of Grants Network. eCivis™ is the sole owner of Grants Network and any associated intellectual property rights. eCivis™ claims U.S. and foreign copyright ownership with respect to Grants Network.
5. Agree to provide R&D with notice of awards received that were located through Grants Network.
6. Agree to update your contact list as needed.
7. Acknowledge that R&D will collect and monitor certain statistics in order to evaluate use and value of this subscription. Much of this information is automatically collected through the Grants Network system.
